

Service Technician - Meridian, ID

Opportunity with Mountain View Equipment

Full Job Description

Mountain View Equipment Company has been a trusted name in farm equipment for over 50 years. With four locations across Idaho and Washington, we take pride in providing our customers with top-tier agricultural equipment and exceptional service.

We are hiring an experienced Service Technician for our Meridian, Idaho location, who is a self-motivated, hands-on individual with a passion for providing excellent service in the agriculture industry.

Key Responsibilities:

- Performs diagnostics, service repairs, and maintenance work on a wide range of equipment, including customer and/or dealer-owned agricultural equipment, utilizing both basic and advanced diagnostic skills to ensure effective repair and maintenance.
- Maintain current knowledge of CLAAS, MacDon, and Oxbo equipment as well as competitive products
- Maintain the condition of vehicles, inventory, tools, and equipment
- Travel to the job site to work on equipment and well-performing repairs in a shop setting
- Maintain a clean work area and performs work in a neat and orderly fashion
- Follow all safety rules and regulations in performing work assignments
- Complete all reports and forms required in conjunction with work assignments
- Account for all time on repair order and for all material used in performing assigned duties
- Provide excellent customer service
- Other duties as assigned by Management

Qualifications & Experience

- 1+ years of experience performing diesel engine repairs and/or equivalent educational experience
- Knowledge of and ability to diagnose, repair and maintain Tractors, Combines, and Forage Harvesters preferred
- A High School Diploma or equivalent required
- Valid driver's license with a clean driving record
- Ability to perform basic repairs and required maintenance using special tools and equipment, following Technical Manual procedures of Agricultural equipment
- Welding and fabrication experience preferred.
- Physically able to lift up to 100 pounds and stand for long periods.
- Able to work longer hours in the busy seasons
- Strong time management and communication skills
- Basic data entry, customer service, and phone skills

Benefits:

- Paid Time Off (PTO) – accrues with service and tenure
- Medical, Dental and Vision Insurance
- 401(k) with company match
- Competitive Salary
- Factory and advanced technician training
